An exciting time to enjoy rugby league in Perth

The WA Reds, our new Western Australian team is bringing back quality rugby league to Perth in 2008 as we kick off the inaugural season in the Jim Beam Cup. It is an exciting time for the code after ten years out of the spotlight to again play on a national stage. The second tier Sydney based competition is the first step in the drive to re-establish the WA Reds as a full NRL franchise.

Join us and be ready for kick off!

Season Membership lets you get involved with family and friends to watch rugby league at a national level in the comfort of Members Equity Stadium.

The WA Reds are well progressed with recruiting and have signed our best local talent along with quality players from Australia, New Zealand and England. We are expecting to see good results in 2008 and look forward to your support.

The Jim Beam Cup will be played between 13 teams in 22 home and away games, with 12 home games at Members Equity Stadium.

We look forward to seeing you at the games...
