- Bonus exposure can be achieved through on site marketing and activities.
- Bonus exposure can be achieved through web based and social media promotions.
- Be associated with a brand that is seen as the foremost of its kind in the state.

Our Vision

To be the premier Western Australian based wine and food event in the metropolitan area.

Our Long Term Goals

- To build an event that promotes the best wine producers in the state.
- To attract visitors who annually seek out the latest and best wine and produce in the market.
- A world class presentation staged within a park environment.
- Provide a consistent and sustainable marketplace for local producers.

The Format

The format is very much in keeping with the states culture of a relaxed atmosphere while promoting fine wine and good food.

Wine stalls will be the backdrop of the event, with new and award winning wines to taste, buy by the glass or purchase to take home.

Regional produce will be promoted on the stage and food booths offering a range of meals on site to ensure people can enjoy what the state has to offer.

Wine tasting classes will also be held.

With the support of contemporary live music, and the beautiful setting that is Market Square Park, this event will ensure all senses are fulfilled.

Marketing

The buyer profile is a higher socio-economic audience with attendance managed through marketing and price point.

An extensive pre event web based registration campaign will be used.

Media includes television, radio, on-line, magazines, key websites.

Social media will be promoted through website, enewsletters, facebook, twitter and blogs.

Publicity through key releases through WA's wine and food media pages.
