

BOYS WILL BE BOYS

I've always been in trouble
With the boy inside the man
Yes he loves to have a good time
He's so good at being bad
Oh yeah I wouldn't fight it
I wouldn't fight it even if I knew how
Oh no you couldn't stop us
We're making all the noise

Chorus

Boys will be boys
Boys will be boys
You know they don't have a choice
Boys will be boys
Boys will be boys

Now the wisdom that the years bring
Can't help us anymore
We're the last to leave the party
The first to ask for more
Oh yeah now don't you worry
Don't you worry what tomorrow's gonna bring
Oh no you couldn't stop us
Making all the noise

Chorus

They're always telling me
Hey boy you can't do that
You been a child too long
It's time for you to grow up
I put that old mask on
It didn't last that long
You're gonna have to take me like I am

So now you're getting older
Don't try to settle down
You gotta live it to the limit
And that's why...

Chorus

Boys will be boys, boys, boys
Boys will be boys, boys, boys
Boys will be boys, boys, boys
Boys will be boys
