I wanna hold her
For a while
So I can tell her
That she's got style

But I know
She won't cut my haircut
She don't take no chance
She will drive me crazy but...
I can dance

Talking politics
Over drinks
Who's the President
Who's the King... (*who knows*)

And I'm not special
I get no breaks
And I'm not lucky
I arrive too late

Yes I know
She won't push me over
She don't like my pants
She won't drive my car but...
I can dance

Yeah, Yeah
Yeah, Yeah
Yeah, Yeah

Yeah
You don't like our music
And you don't like our songs
You don't like our stance but...
We can dance

We can dance

Ah, ah

We can dance

Ooh

We can dance

Yeah

We can dance

Hey, hey

Yes I know

We don't wear no make up

We don't waste romance

We don't favour politics but.....

We Can Dance.....
