MicroStation to Excel (Part 5)

Levels and Configuration Variables (Part 1) Page 30

About The Front Cover

Image on the front cover was created by Arup. See page 30 of the 2nd Qtr 2004 issue of C-A-D for the "3D Model to Documentation" article on how the images were created.

For more information, please contact Steve Pennell by email: steve.pennell@arup.com.au or telephone: +61(0)2 9320 9353.
