Please don't let the **TAGS** put you off (made them as easy as I could), I really do try to avoid them but this song is so fantastic that I just couldn't resist!! I chose to count the dance in syncopations (1&2 etc) but you can count the single beats (1,2,3,4) instead- this would make it a 64 count. For a bit of fun try blowing kisses when you hear the kiss kiss and mwahh sounds. Have any comments or questions? Please email me- sld@ozemail.com.au.
